

Membership Application

If you love music—all kinds of music—and want to help us pursue our mission of helping Pennsylvania musicians and artisans to find new audiences, and of preserving Pennsylvania’s historic and ongoing musical and artistic contributions, then join us by becoming a member of Pennsylvania’s Music Preservation Society (PAMPS). We’re the non-profit organization that has produced the annual Celebration and other events at the historic Allentown Fairgrounds since 2018.

Your annual membership fee of \$25 will not only help underwrite the budget for the diverse musical groups that perform with us, but will also demonstrate your tangible support of our efforts to support youth music activity and education, preserve Pennsylvania’s rich music heritage, and on Memorial Day weekend, to honor and support our military veterans. Your support, in turn, will translate into broader public recognition and corporate sponsorships.

What’s In It for You?

- ❖ Your membership stays active for a full year
- ❖ Discounted ticket prices
- ❖ Special parking and seating at many events
- ❖ Your name in our membership list in the program and other displays
- ❖ The satisfaction of being part of something great!

To support the work of Pennsylvania’s Music Preservation Society, I, *(print name)* _____, am applying for membership in the Society for one full year.

RECEIPT

This certifies that _____ has submitted payment of \$25 and has been accepted as a member in good standing of Pennsylvania’s Music Preservation Society for one full year.

Date _____ Payment method _____ PAMPS representative _____

Pennsylvania Music Preservation Society (PAMPS) is a 501(c)(3) charitable non-profit organization whose mission is to ensure that traditional and emerging Pennsylvania musicians and artisans find new audiences, and that Pennsylvania’s historic and ongoing musical and artistic contributions be recognized. We are devoted not only to the promotion and preservation of Pennsylvania’s musical heritage and cultural history, but also to supporting youth music activity and education. We intend to accomplish the latter by organizing music competitions in various genres for young students, but will continue pursuing our original mission by holding festivals and other events, open to all ages of the general public, with the goal of having the important common cultural bond of music be enjoyed for generations to come.
