

Membership Application

If you love music—all kinds of music—and want to help us pursue our mission of helping Pennsylvania musicians and artisans to find new audiences, and of preserving and promoting Pennsylvania's historic and ongoing musical and artistic contributions, then join us by becoming a member of the Pennsylvania Music Preservation Society (PAMPS). We're the non-profit organization that has produced various music events in the Lehigh Valley since 2018.

Your annual membership fee of \$25 for one person, \$40 for two, or \$75 for four people will not only help underwrite the budget for the diverse musical groups that perform with us, but will also demonstrate your tangible support of our efforts to support youth music activity and education, and to preserve and promote Pennsylvania's rich music heritage. Your support, in turn, will help translate into broader public recognition and corporate sponsorships.
